Complaints Procedure

It is the aim of the Chelmsford College Group to provide all its students and clients with a high quality service. However, from time to time problems may occur. You have the right to pursue the resolution of any difficulties and the college will undertake to respond to your complaint with care and concern. We do ask that complaints are logged in a timely fashion.

Making a complaint

Problems should first be discussed with the relevant department. If you wish the complaint to be logged, it will be recorded at this point.

If discussion does not resolve the matter or if it is not appropriate, then the complaint should be made either by letter, email or telephone to the Director of Curriculum, Alison Davies, email: daviesa@chelmsford.ac.uk telephone: 01245 265611

Response to complaints

In response to complaints the college will:

- Make an initial response to you within ten working days.
- Research the circumstances/details of the matter and provide, usually within three weeks, a full response, including, where appropriate, explanation and details of any action taken
- Log and track all complaints for Quality Assurance purposes

Complaints about results

A complaint about your course grades and other internal assessments are dealt with via the college appeals procedure. A copy of the procedure is available from the intranet and it is summarised in the Student Handbook.

If your complaint is about external assessment, you should contact the Examinations Office who will explain the procedure for the particular awarding body concerned.

If you are still not satisfied

If the college's complaints procedure has been exhausted and you are still dissatisfied the Education and Skills Funding Agency have their own complaints procedure, which reviews the processes the college has gone through when dealing with your complaint and the decisions that have been made.

Copies of the relevant complaints procedure is available from Quality and Learning or can be accessed via the gov.uk website:

<https://www.gov.uk/complainfurthereducationapprenticeship>

Higher Education
